Empowering safe, confident drivers across South Africa. From securing your learner's license to acing your practical test day—we guide you every single step of the way with standard-setting care and skill.

Meet the Team

At Ta-Lungs Driving School, we believe learning to drive should be both highly professional and deeply personal. Led by **Lungile** (affectionately known by many as **Ta-Lungs**), our school is dedicated to turning nervous beginners into confident, responsible road users.

With patient instruction, flexible packages, and an unyielding passion for safety, we provide a holistic learning experience that goes far beyond simply passing a test—it is about gaining lifetime independence.

The Ta-Lungs Edge

- **Modern Training Vehicles:** Learn in clean, safe, and dual-controlled manual or automatic vehicles.
- **Flexible Scheduling:** Book lessons around your life—weekdays, weekends, or early mornings.
- **Friendly Instructors:** Patient, certified pros who calmly guide you from basics to test readiness.
- **Full Test Prep & Support:** From bookings to practical test-day car hire, we have you covered.
